

Delock Cable SATA 15 pin HDD with metal clip to 4 pin male – angled

Description

This power cable enables to convert the interface of the common ATX power supplies into the SATA format for the power supply of SATA drives. The angled SATA connector leads the cable downwards from the SATA HDD so that you can still connect a drive in spite of space problems. The metal clip on the SATA interface provides additional stability.

15 cm

Item no. 60121

EAN: 4043619601219

Country of origin: China

Package: Zip poly bag

Technical details

- Power connector for SATA HDD
- Connectors:
 - 1 x 15 pin SATA angled 90° down >
