Delock Standoff M4 x M3, hexagon, inside / outside, 20 mm black 4 pcs

Description

These standoff spacers by Delock can be used for secure mounting of PCBs to create a fixed distance between a printed circuit board and other components. By separating the PCBs from other components, the spacers allow a better ventilation and offer an optimal resistance to high temperatures, e.g. inside of a PC case.

M3

20 mm

M4

4 x

Item no. 60242

EAN: 4043619602421

Country of origin: Taiwan, Republic of China
Package: Zip poly bag

Technical details

- Length: ca. 20 mm
- Thread size: M4 x M3
- Thread type: inside / outside
- Thread length:
  inside: 9.3 mm
  outside: 6.5 mm
- Spanner width: 10 mm
- Shape: hexagon
- Fire-resistance rating: 94V-2
- Material: plastic
- Colour: black

Package content

- 4 x standoff
