

Delock Slot bracket 1 x eSATApd 5 V / 12 V

Description

With this slot bracket by Delock a PC can be extended by one external Power Over eSATA port. Thus, different devices with eSATApd, eSATAp, eSATA or standard USB interface can be connected. The eSATApd port provides a voltage supply of 5 V and 12 V, therefore a 2.5" and 3.5" hard drive can be connected by using special Delock products like e.g. eSATApd cable. The included cables are for internal connection.

Item no. 63921

EAN: 4043619639212

Country of origin: China

Package: Zip poly bag

Technical details

- Connectors:
internal:
1 x 4 pin Floppy male
1 x SATA 7 pin plug
1 x 9 pin USB 2.0 pin header male
