

Delock Adapter High Speed HDMI - micro D male to A female

Description

This adapter High Speed HDMI with Ethernet by Delock complies with the latest HDMI standard and combines fast data transfer as well as audio- / video and Ethernet connection in one. The micro HDMI-D connector is especially made for the latest generation of mobile phones and digital cameras and enables the transfer of data like videos, pictures etc. Thus you can e.g. convert the HDMI-D interface of your mobile phone into a HDMI-A port and connect it to your TV by using an optional HDMI (HEC) cable. The picture on your mobile phone display will be transferred to a bigger monitor.

Item no. 65242

EAN: 4043619652426

Country of origin: China

Package: Zip poly bag
