

Delock Adapter High Speed HDMI - micro D male to A female

Description

This adapter High Speed HDMI with Ethernet by Delock complies with the latest HDMI standard and combines fast data transfer as well as audio- / video and Ethernet connection in one. The micro HDMI-D connector is especially made for the latest generation of mobile phones and digital cameras and enables the transfer of data like videos, pictures etc. Thus the HDMI-D interface of a mobile phone can be converted into a HDMI-A port and can be connected to a TV by using an optional HDMI (HEC) cable. The picture on your mobile phone display will be transferred to a bigger monitor.
