

USB Pinheader male > 2x USB2.0 female - up

Description

This USB Pinheader-male adapter can be plugged via cable to a free USB Pinheader port of your mainboard in order to expand your system internally by 2 USB ports. Thus you can use e.g. connect an USB memory stick or USB-WLAN stick. Both female ports lead upwards, based on Pin 1 Pinheader on the mainboard.

Ref. 41763
EAN 4043619417636
