

Delock Mechanical USB Gaming Keyboard wired 1.6 m black with RGB illumination

Description

This mechanical USB keyboard by Delock with various **multimedia and WASD keys**, is particularly suitable for use in **gaming**. Among other things, the Windows key lock helps to ensure a smooth gaming experience. The Delock keyboard can also be used perfectly for office applications.

1,6 m

Luminous gaming experience and anti-ghosting keys

With its integrated **RGB illumination**, the keyboard offers up to 12 different colour schemes that can be set via a single key.

In addition, **25 anti-ghosting keys** ensure that even the simultaneous pressing of various keys is correctly recognised. This ensures complex commands and perfect gameplay.
