

Delock Braided Sleeve self-closing 10 m x 9 mm white

Description

This braided sleeve by Delock can be used to bundle exposed cables, electrical tubes or wires to protect them from dirt or damage.

Self-closing

The braided sleeve closes automatically after adding the cables.

Brilliant resistance

The braided sleeve is characterized by its abrasion resistance and heat resistance.

Reusable

The cables and tubes can be added or removed multiple times.

Cuttable

A hot cutting tool can help to shorten the length of the braided sleeve individually.
