

# Delock 10" Network Cabinet with glass door 4U grey

## Description

This network cabinet by Delock can be used for stand or wall mounting and is ideal for the installation of 10" devices e.g. patch panels.

### Easy access to the devices

The removable side panels allow an easy and quick access to the installed devices in the rear part of the network cabinet.

### Front door lockable with viewing window

The network cabinet can be locked to ensure greater security. The viewing window allows a view of the inside of the network cabinet at all times.

### Optimal ventilation system

The integrated ventilation slots on the upper cover plate ensure optimal ventilation of the installed devices.
