

Delock Cable Gland M28 with cable tie fastening grey

Description

This cable gland by Delock allows a watertight seal to the housing for the lead-through of cables and electrical tubes.

With extension for cable ties

The fixing allows the inserted cable to be securely fixed with a cable tie to prevent it from slipping out or coming loose.

IP68 dust and waterproof

The cable gland also offers increased protection against dirt and moisture.

Multifunctional application

The robust design is ideal for use in automation, the robotics industry and machinery.
