Delock 19″ Cable support rail for network cable connectors with LSA connection 24 port metal

Description

This panel by Delock can be mounted into a 19″ cabinet or can be used for wall mounting.

Optimal cable management
Up to 24 cable connectors can be attached to the panel. The twisted pair cables are connected to each other and fixed to the strip with cable ties. This enables tidy and organised cable routing and ensures excellent strain relief for the cables.
