Delock USB 2.0 Cable Type-A male to USB Type-C™ male angled with LED and Fast Charging 60 W 1 m
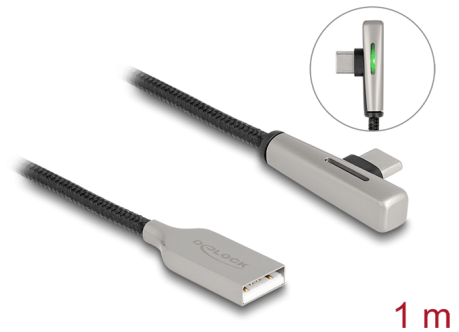

Description

This USB cable by Delock enables the connection between a device with a USB Type-C™ connector and a PC or a laptop equipped with a free USB port. Optically it convinces with its fine textile shielding and with its connectors in transparent housing.

Fast charging and power

The USB data and charging cable enables fast charging with its 60 W with a power bank or modern USB chargers. Quick Charge 3.0 is supported up to 20 V and 3 A.

LED indicator

As soon as the cable is connected to a power source, the LED lights up in green and then changes to a colour gradient with three different colours (green, orange, red), when a device is charged. The lighting is always discreet and inconspicuous.
