

Delock Cable Connection Protection Box IP54

Description

This protective box by Delock is used to securely connect plugs and couplings and protects against damage.

IP54 dust and waterproof

The housing offers increased protection against dirt and moisture for the connection of cables.

Flexible use

The cable opening is suitable for diameters from 5 to 8 mm; with the enclosed cable sleeves thinner cables can also be used.

Item no. 86982

EAN: 4043619869824

Country of origin: Taiwan,
Republic of China

Package: Zip poly bag
