

# Delock Fiber Optic Distribution Box for indoor and outdoor IP65 waterproof lockable 6 port white

#### Description

This lockable distribution box by Delock can be used for wall mounting and serves as a protective housing for optical cables and couplings. The distribution box can accommodate up to six SC Simplex or LC Duplex couplings.

#### With splice tray

The integrated splice tray enables clean routing of the individual fibers for optimal transmission of lightwave signals.

#### IP65 dust and waterproof

The distribution box has one cable entry and six cable outlets which are protected by a rubber seal. The seal provides increased protection against dirt and moisture for the connection of fiber optic cables indoor and outdoor.
