

# Delock USB Type-C™ Card Reader for SD and CFexpress type B memory cards

## Description

The card reader by Delock can be used for reading and writing of **SD and CFexpress memory cards**. The card reader can be connected to a PC or a mobile device via the USB interface.

## Extensive connectivity

Due to the specially designed adapter, the Delock card reader can be quickly and easily connected to the **USB Type-A** socket. Thus, it can be easily connected to new devices with **USB Type-C™** female and older devices that only have a USB Type-A connector. The adapter is located directly on the cable and therefore it cannot be lost.

## Small, stable and handy

Due to its **small dimensions and its sturdy housing**, this Delock card reader is particularly suitable for travelling. It can simply be packed into the bag together with the laptop or tablet and used as needed.
